I know Calanog  
Sounds like a good plan

What are you looking for when you test the Animas?  
What makes river water safe?  
When is it safe?  
When cab folks eat the fish?  
Should swimmers wear eye protection?  
Epa administrator mccarthy says you guys rely on science what does she mean?  
What about the sentiment on the river bottom?  
Is mother nature your friend?
